About LEARNING HUB

Learning Hub is a teaching-learning platform designed to provide educators, administrators and learners with a single robust, secure and integrated system to create personalised learning environments.

A simple interface, drag-and-drop features, and technical support along with ongoing usability improvements make Learning Hub easy to learn and use.

It provides the most flexible tool-set to support both blended learning and 100% online courses. Whether you're a teacher, student or administrator, Learning Hub can meet your all needs.

"More than 4 out of 5 students agree Digital Learning can...
Improve their Education 84%
Save Time 81%
Boost Grades 81%"

FEATURES

1

STUDY ANYWHERE, AT ANY TIME

This is the most appealing benefit of online education for students with flexible learning time.

2

PERSONALIZED DASHBOARD

Display current, past and future courses, along with tasks due.

3

COLLABORATIVE TOOLS

Work and learn together in forums, wikis, glossaries, database activities, and much more.

4

ALL-IN-ONE CALENDAR

Keep track of your academic or company calendar, course deadlines, group meetings, and other personal events. Convenient file management

5

EASY TO USE INTERFACE

Designed to be responsive and accessible, the Learning Hub interface is easy to navigate on both desktop and mobile devices.

"70% Students tend to perform better in a blended learning course than a traditional face-to-face course"

FEATURES

6

CONVENIENT FILE MANAGEMENT

Drag and drop files from cloud storage services including MS OneDrive, Dropbox and Google Drive.

7

SIMPLE TEXT EDITOR

Format text and conveniently add media and images with an editor that works across all web browsers and devices.

8

NOTIFICATIONS

When enabled, users can receive automatic alerts on new assignments and deadlines, forum posts and also send private messages to one another.

9

TRACK PROGRESS

Educators and learners can track progress and completion with an array of options for tracking individual activities or resources and at course level.

10

STUDENT EVALUATION

Evaluate students their performance by self assessment and graded by teacher.
